1.) FIXTURES & MATCH DETAILS:

All Matches are played under the ICC rules governing the game of cricket. Unless otherwise mentioned in these by laws, also referred to as playing rules/governing rules or playing conditions.

All clubs/teams/players while playing under the Associations (BCL) umbrella agree to the adhere to the rules/regulations mentioned in this as well as all other supporting documents.

2.) CLUB CONTACT:

All clubs must sign the BCL designated club form and provide 2 designated contacts for the club. Primary (first choice) and Secondary (second choice). The Executive/League shall only communicate with these contacts or the primary contact as they seem fit. Preferred/recorded method of communication shall be electronic correspondence.

3.) REFUSAL TO PARTICIPATE/MATCH DEFAULT:

Refusal to participate in schedule of games or unilateral withdrawal of a club or team shall be considered as having withdrawn from the association. All fees paid to the association by a club or team withdrawing from the schedule shall remain the undisputed property of the Association.

Only matches scheduled with other league teams, teams not currently playing within the BCL, may be cancelled (or as outlined in 2C. Match cancellation), due to the weather or other conditions making play impossible, by mutual consent of both captains or secretaries of the clubs so affected by telephone. The secretary of the Association must be notified in writing of such cancellations by the Secretaries of both clubs.

3B.) MATCH DEFAULT:

Teams defaulting one game will automatically incur a fine of \$100, payable immediately before playing the next game i.e.: by **Thursday** of the next week following a default game over the weekend. All payments must be in certified cheque or cash to be paid to the treasurer before 9pm. Failure to do so will disqualify them from participating further in the season.

The **second defaulted game** in the same season will result in an automatic expulsion from the league. The league is **not** obligated to inform the defaulting team/club about this.

For this context, "default" is applicable when a game does not take place due to non-availability of the players (7 players dressed and ready to take the field) from the defaulting club/team and/or refusal of the club/team to take the field when instructed to do so (by the match official, or in absence of one, refusal to co-operate with the rival team to get the game underway by assigning umpires from the players). The on field official shall wait 40 minutes before a game can be considered as "default". After which he shall sign the match sheet and hand it over to the team present on the field.

3C.) MATCH CANCELLATION:

Team may advise the league of their inability to participate in a schedule game by Wednesday of every week. Failure to do so will be considered a “match default”.

For this context: all teams shall be allowed a maximum of 1 cancelled game during the season. Such cancelled match shall not be postponed, or relocated and full “winning points” shall be offered to the opposite team. Teams shall not be allowed to enter their playing 11 for a default or a cancelled game.

OTHER:

No rainout games shall be moved to a different date or venue. These games shall only be rescheduled at the discretion of the BCL Executive.

4.) TYPE OF BALL:

All clubs/teams in every division of the association must play with a white 4 piece league approved ball. League approved balls for ODI and T20/T25 are as follows:

ODI: Kookabura Club Match or Regulation.
T20/T25: BCL branded ball, or as supplied by the league.

BALL PICK UP:

All balls must be picked up by **Thursday** of the game week. Any pick ups request after thursday shall be at the sole discretion of the treasurer of the league.

4B.) TYPE OF BALL/PENALTY:

Both captains must check the type of ball before start of play. Any issues with the ball must be brought to the attention of the on-field official before start of play. Teams refusing to adhere to the league bylaw, regarding ball, will lose full points (-10) for the game.

5.) POWERPLAYS:

ODI:

Power play overs shall apply for 20 overs per innings to be taken as follows:

The first block of Powerplay Overs (10 overs) shall be at the commencement of the innings.

For the second and third block of Powerplay Overs (blocks of 5 overs for an uninterrupted match), one block shall be taken at the discretion of the fielding captain and the other at the discretion of either of the batsmen at the wicket.

A batsman must nominate his team’s PowerPlay no later than the moment at which the umpire reaches the stumps at the bowler’s end for the start of the next over.

The first block of five (5) overs chosen at the discretion of the relevant captain (as described above) is defined as Powerplay Two. The captain has to decide at which point he wishes to implement this rule. He can only implement it at the beginning of an over, provided he informs the Umpire.

During this period, only three fielders are allowed outside the 30-yard circle. **However, there is no mandatory number of close catchers during this power play.**

The second block of five (5) overs, with identical parameters to Powerplay Two, is defined as Powerplay Three. When the relevant side's captain informs the Umpire that he wishes to enact a Powerplay, the official will signal so by moving his arm in a circular motion. Should the fielding/batting captains choose not to exercise his/their discretion, the remaining Powerplays automatically commence at the latest available point in the innings (i.e., at the start of the 41st and 46th overs in an uninterrupted innings).

Where the number of overs is reduced because of delay or interruption, the number of overs in regards to field restrictions shall be reduced proportionately. This must be communicated to both captains. In the event of an infringement of the circle rules, either umpire shall call and signal no ball.

In circumstances when the number of overs of the batting team is reduced, the number of Powerplay Overs shall be reduced in accordance with the table below:

Innings Duration	First Powerplay	Fielding Powerplay	Batting Powerplay	Powerplay Total
20-22	4	2	2	8
23-24	5	2	2	9
25-27	5	3	2	10
28-29	6	3	2	11
30-32	6	3	3	12
33-34	7	3	3	13
35-37	7	4	3	14
38-39	8	4	3	15
40-42	8	4	4	16
43-44	9	4	4	17
45-47	9	5	4	18
48-49	10	5	4	19

T20 POWERPLAY:

The power play will be the first 6 overs, with only 2 fielders allowed outside the 30 yard circle.

T25 POWERPLAY:

The power play will be the first 7 overs, with only 2 fielders allowed outside the 30 yard circle.

6.) SHORTAGE OF PLAYERS:

In case of a shortage of players:

DURING POWER PLAY:

There must be a **minimum of 7 players**, in full uniform, ready to take the field for a game to be played under the association. The on field official must be presented a match sheet with a complete list of players before the start of the game.

A team shall be allowed to start a game with 7 players with an established cut off time “of acceptance” for a player to be recognized as part of the playing 11:

- ODI: 90 minutes after start of the game.
- T20/T25: 45 minutes after start of the game.

Players arriving after the cut off time of acceptance shall not be allowed to participate in the association matches. On field official must remove their name from the match sheet and the player shall not be considered in the playing 11 of that game.

Both captains should not have any negotiations about this cut off and the opposite captain shall **not** be in a position to allow the player to participate.

For the purpose of establishing cut off time of acceptance; the on field umpire shall be the final judge of the matter and his decision shall be considered final.

During the playoffs, if scores are levelled; the run rate for the game shall be used. (see run rate calculation for details rule # 8). If the net run rate is the same, net run rate for the regular season shall be used.

8.) GAME CUT OFF:

ODI:	20 overs bowled/played	constitute an innings.
T20:	10 overs bowled/played	constitute an innings.
T25:	13 overs bowled/played	constitute an innings.

Games with fewer overs bowled/played shall be considered “abandoned because of weather”.

SCHEDULE CHANGES:

The Association reserves the right to make changes to the schedule/fixture **4 days in advance** of the game. Any such changes shall be communicated to the designated team contact by way of e-mail or website posting.

9.) RUN RATE:

Run Rate calculation shall be used to establish a result for the following scenarios:

- a.) Rain Out
- b.) Play stopped due to bad light
- c.) Tie
- d.) Or as established by the association

Scenario # 1: (ODI and past the innings cut off):

Team A: batted first and scored 200 runs in 45 overs.	Net Run Rate:	4.44 (2 decimal)
Team B: scored 150 runs in 35 overs:	Net Run Rate:	4.28
Team A wins by 0.15 run rate.		

Scenario # 2:

If team batting first loses all of its resources (allocated wickets):

Team A: batted first and scored 200 runs in 45 overs.	Net Run Rate:	4.00 (divide by 50)

In a reduced over match, the bowler may not bowl more then 1/5th of the total overs (for calculation purpose round off to the nearest whole number):

OVER TIMINGS:

In case of a time delay in the start of the game (due to weather or factors outside the control of the teams); 4 minutes per over shall be reduced for the amount of lost time.

A team that loses overs due to a late start shall only be allowed to bat the “new number of overs” even if they bowl all 10 players of the opponent.

If play is suspended during the innings; the calculation of the number of over to be bowled/played by the scheduled close of play shall be determined as a reduction of 1 over for every 4 minutes of lost time. This shall apply in case such as “rain out” or “factors beyond the team’s control”. It shall not apply to deliberate stoppage of play by players or the associated crowd.

The on field umpire shall be the best judge of this action and his decision shall be final.

PENALTY FOR LATE START:

Team responsible for later start shall lose overs as per the 4 minute per over rule.

PENALTY FOR MISSING CUT OFF:

If a team **fielding first** fails to bowl the allocated overs in the specified time, they shall continue to ball until they have done so. However, they shall only bat the amount of overs bowled at the scheduled cut of time. (i.e 47 overs bowled at cut off shall allow the team to only bat 47 overs). The over in progress at time of the cut off shall be counted as complete.

If a team **bowling second** does not complete their allocated overs in the specified time, they will continue to ball until the required overs are delivered, or until the field is no longer available for play, or until the match is called off by the on field officials. After close of play (maximum overs bowled until play cannot continue) the umpire shall add **6 penalty runs** for each over bowled after the cut off time. The penalty runs shall be added to the batting time at close of play.

12.) GROUND & PITCHES:
