Notes :

Due to ground limitations, we are forced to amend the format of the playoff games for U13 and U15.

Umpires are being scheduled for all Playoff games. Teams are responsible for paying the umpires for all games except the finals.

The Board would pay the umpires for the Finals. The umpires fees, for each umpire, based on the length of an inning, are as follows;

25 Overs \$40

35 Overs \$60

50 Overs \$80

If only 1 umpires officiates the game, the fee is increased by \$10

New league specified balls are required for all playoff games.

No home teams are specified. Both teams share the responsibility for preparing the pitch and the field.

Team 1 - Responsible for marking circles (15yd, 30yd, boundary)

Team 2 - Responsible for covers, stumps, and bails

Age verification to take place 30 minutes before game time, with toss 15 minutes before game time

Photo ID and proof of age are required for all playoff games.

Opposing coaches have the right of refusal for any player not meeting this requirement.

Refusal to play a scheduled game, is considered a forfeiture.

Winning teams are required to email the results so that the semi final round can be updated.
